

4 JUNE 2025 ECONOMIC UPDATE WITH A QLD TWIST

**An Economics afternoon featuring Sarah Hunter,
Chief Economist for the Reserve Bank of Australia**

Learn and understand more about the Australian economy and economic outlook. The Queensland focus will support students to apply their knowledge of economic concepts, principles and models from their classroom learnings for Unit 1 Markets and models and Unit 4 Contemporary macroeconomics. The focus is to contextualise understandings using data and information relevant to Queensland and nationally.

Sarah Hunter is responsible for the Reserve Bank's Economic Analysis and Economic Research departments and is the chief economic advisor to the Governor and the Board.

The event will be live streamed for schools outside of the Brisbane metro area for regional schools.
