

University Experience Day – Friday 12 July 2024

Gardens Point

Join us for the Queensland University of Technology Experience Day, an immersive and interactive learning opportunity tailored for high school students.

Discover the diverse research strengths of the School of Economics and Finance, spanning Applied Microeconomics, Macro-Monetary Economics, Behavioural Economics, Development Economics, Trade, Environmental Economics, Property Economics, and Financial Economics. Engage with experts in these fields as they share their knowledge and insights.

During the event, students will have the chance to:

- Deepen their understanding of real-life economics through engaging sessions.
- Immerse in the vibrant atmosphere of university life at the beautiful QUT Gardens Point campus.
- Expand their knowledge and stay up-to-date with the latest developments in the discipline.
- Gain valuable insights into exciting career prospects from current lecturers and students.
